The Learning Zone is situated on the 2nd Floor of E Block. It is a self directed interprofessional learning environment.

Designed in conjunction with students for students.

The Learning Zone is a simulated-clinical learning environment and as such you are required to wear full uniform and treat the area and manikins with the respect you would show in clinical practice.

Within the Zone the ZAPPAR™ app is used to allow access to learning resources to support your practice.

Open 0830 – 1600 daily with no booking required this provides open access meaning you can practise when you are available during opening hours.

The Zone is accessible via the 1st floor main infirmary corridor. Please use ZAPPAR™ or QR to view a video providing full directions.

(any exceptions to opening times or availability will be emailed)
